Halt G. & S. Rally To Win Opener

(Continued From Page 5-B)tain local fans who cannot make the trip to Bell.

"If there should happen to be a third game—we are going to do our best next Sunday to eliminate that possibility, however—in the playoff, the G. & S. team has consented to play it at Torrance," Manager Morris said yesterday. "That contest will be staged Sunday, March 28."

Correll had a field day at his left outpost last Sunday, accepting six chances with six putouts. The rambling Romeo Palica, center fielder, with some heads-up base-running kept the G. & S. opposition guessing. The Merchants collected six hits.

State's Birth Rate Shows No Trend to Race Suicide

Race suicide won't be a problem in California if the state's birth rate continues along its 1936 trend, Dr. Walter M. Dickie, director of the state health department, revealed today.

Dr. Dickie's annual compilation of blessed events revealed a total of 84,460 babies were born during the year, representing an increase of 4,238, or approximately 5 percent, over 1935. Of this total, Los Angeles county reported 32,027 births in 1936 against 30,119 the preceding year.

Only a few mountainous and rural districts fell away from their 1935 rate, while the Japanese were the only race to produce fewer children in 1936 than during the previous year.

Last year's new crop of proud parents were predominantly of the white race. White babies numbered 68,249, or 80.8 percent of the total, against 64,508 and 80.4 percent in 1935.

Mexican births constituted the next largest group with 12,159 and 14.4 percent of the total, compared with 11,752 and 14.7 percent of the previous year. Other figures for 1936 were: Negro, 1,305 or 1.6 percent; Indian, 429 or .5 percent; Chinese, 537 or .6 percent; Japanese, 1,448 or 1.7 percent; all others, 336 or .4 percent.

Elva Kelton Attends Dept. Welfare Meet

Mrs. Elva Kelton, department chairman of child welfare for the California and Nevada Women's Relief Corps attended a meeting of the council in Los Angeles, Saturday.

The meeting was called by the department president, Mamie Deems. Reports of committee chairmen were read. The most outstanding of these was the report on the \$5000 scholarship fund to be established at the University of Southern California and the one already established at the University of California in Berkeley, California. These scholarships stand as perpetual memorials to the Grand Army of the Republic.

The department reports \$1500 in cash and clothing donated to flood relief and \$400 to other relief during the past three months. This department consists of 81 corps. Torrance being one of them. Plans have already been completed for the annual convention to be held in Stockton, April 30 inclusive.

Where's All Those Horseshoe Flingers?

Has Torrance gone metropolitan and forsaken old-time sports? This is the question being pondered by Recreation Center leaders as result of the poor attendance of horseshoe pitchers at the city park last Sunday.

More than 15 Gardena tossers were there to furnish plenty of competition for the local devotees of the "horseshoe golf" sport but there were not enough Torrance slingers on hand for a meet.

Next Sunday Gardena will be host to Torrance and all who like chucking Dobbin's shoes are urged to meet at the local ball park at 9:30 in the morning to go in a body to the meet.

WILD FLOWER DISPLAY WILL BE BRILLIANT

Nature's most brilliant display of wild flowers in 20 years is predicted for the latter part of April.

Abundant rains will probably make this season's displays more colorful than two years ago, especially in the Arvin flower hills and Mojave district. Especially vivid will be the golden poppies, blues in lupines, reds of the paint brushes, and varied hues of yellows, whites, and pink found in the bird's-eye gliga, evening primrose, owl's clover, blazing stars, and thistle sage.

Shower Guests Are Witnesses At Wedding

Guests who were bidden to attend a bridal shower in honor of Miss Martha E. Tetley, at the home of her brother and sister-in-law Mr. and Mrs. Jack Tetley, 233rd and Meyler streets, Wednesday night, were given a surprise when they found a minister present and all preparations for a wedding completed.

The guests included members of the immediate families of the contracting parties, Miss Tetley and Paul J. Shell, who were joined in marriage at 8:30 o'clock p. m. Rev. B. H. Ling-enfelder, former pastor of the Christian church officiating.

Miss Tetley was beautifully gowned in white satin, cut princess style, and carried a bouquet of pink roses, sweet peas and maidenhair fern. Mrs. Edith Tetley, matron of honor, wore a princess gown of pink taffeta with a gardenia corsage.

Mr. Shell was attended by his brother-in-law, Jack Tetley. The wedding party was grouped before a bower of acacia blossoms, flanked by green branches, with baskets of pink flowering peach blooms to lend a contrasting note.

The bride, daughter of William C. Tetley of Phoenix, Arizona, came to Torrance last July. Mr. Shell, an employee of the Sun-set Oil company, is well known in Torrance where he has resided for a number of years. The young couple have taken a house at 828 Sartori avenue, where they are now at home to friends.
